

Investing for Success

Under this agreement for 2022

Biddeston State School will receive

\$24,738*

This funding will be used to

- Increase the percentage of students achieving a 'B' standard or above in English, to 50% across all year levels (Baseline: 36.9% B or better in Semester 2 2021).
- Provide additional human resources to support needs of diverse learners e.g. Speech and guidance.
- Develop and implement a whole school approach to differentiated teaching and learning including case management processes.
- Continue to refine the Whole School Curriculum Plan.
- Research program resources to support all students to have the tools of self-regulation and further develop in all aspects of the "You Can Do It!" program.
- Fund Initial Lit professional development for teachers.

Our initiatives include

- Developing and refining the Biddeston State School Support Pyramid.
- Funding additional Guidance Officer to support the development of personalised learning programs for identified students.
- Developing and implementing learning walls including learning intentions and success criteria.
- Delivering Initial Lit Programming for students in P-2.
- Delivering Macq Lit Intervention for students in Years 3-6.
